Chapter 1/1

Author's Notes:
Written for a prompt of ice. :D

Sugar Free

Frigid, solid, edges rounding more and more with each second spent inside his body, friction heating up with slick, wet thrusts; rivulets of chilled liquid cascading over puckered flesh to be lapped up by a warm, eager tongue.

The contrast had Mike trembling on the edge until that hot mouth sucked out the last bit of ice and a tattooed hand wrapped around his aching cock.

Stroke, lick, stroke, lick...

All he could picture as he shuddered to completion was Billie's too-sweet smile when he'd asked why, amidst the brightly coloured homemade frozen treats, there'd been one plain water Popsicle.
